A Combined Congregational Outing

It had been four months since both local congregations had met together, so this month we decided to do something special with the Corquín and Potrerillos congregations. We rented a retreat center for the day, located about forty-five minutes from Corquín on Sunday, April 14th. With our van full, along with a rented bus and a borrowed bus, our group of eighty-four people left Corquín in the morning and didn't return until dark.

Jon Stacy, a missionary and elder of the Santa Rosa Congregation, led our minds in lessons based on Jesus, our need for a savior, His sacrifice for us, and the forgiveness we have through what He did on the cross. These are powerful topics, and we pray that the seeds have been planted grow in the minds and hearts of all who attended.

We were blessed with four young adults from the Santa Rosa congregation who volunteered to help us with the children so all the parents could benefit from the classes without too much interruption. We appreciate so much the love that was shown us through this selfless act of service.

In addition to the wonderful lessons, we all shared a meal together and spent time in fun and fellowship. Right before our scheduled afternoon free-time, Steven, a young man from Potrerillos who has been studying with Landon, decided to put on his Lord in baptism. There is nothing better than the church being able to witness another soul added to the kingdom. Please keep Steven in your prayers as he begins his walk with Christ.

Ladies' Day Event

This month the women of Corquín hosted a Ladies Day for both congregations and our invited guests. Stacy Stacy, a missionary in Santa Rosa, came and presented three beautiful lessons to the thirty women that attended our afternoon event.

Activities like this one motivate our ladies to invite their friends and encourage all who attend.

A Special Invitation

This month we were invited to be “special guests” at installation of this year’s student government at the main elementary school in Corquín. It was an honor to be recognized as individuals who are working to better the lives of the students at their school. This is the first year we have been able to teach in this school as it is so large and required a larger team.

We are thankful to God and to each of you who make our work with these students possible.

Youth Activities

April 2024

A week after our Ladies event, the youth had a fun outing to Las Mesitas, a private outdoor area that has a covered meeting space, lots of grassy areas to play, and a pool. We began our afternoon with songs and a devotional before dividing into four groups and playing a few games. We finished the afternoon with free time for the kids to play soccer, swim, or just walk through the trees and relax. We had a good turnout, and everyone had a great time.

The following week we brought the group to “El Tigre” a nearby enclosed soccer field where we played soccer and a crazy game of “volleyball” or something that vaguely resembled it. Whatever you call it, it was fun!
