

Bridges2Honduras

With our RADICAL program, we are blessed to be able to teach God's Word to so many children and to pray with them, both during our group time as well as in every classroom. We know that God's Word is alive and active. Please join us in prayer as we ask that these precious children and their families are drawn to Christ as we share His Word with them.

Another "End of Year" Thank You

With the close of 2024, we are mindful of all our partners who faithfully pray for us and who support us and the work in Corquín. We are truly thankful.

As we were finishing up this year in the schools, RADICAL received many "thank you" plaques from directors and teachers, but something that touched our hearts even more than those was the beautiful thank you letter we received from a student at one of our schools. We wanted to share it with you because you are a part of this work.

From: Jeferson Josúe Domingues Valle

To: RADICAL

It is a privilege for me to write these lines with much affection for you. I feel happy and at the same time grateful for the moments that I am living in my childhood with the support that you give me. Thank you, RADICAL, for teaching us many things that I have found productive. I have learned from every activity you did while teaching us the values that very few others are able to teach. For me, that is very fundamental. I ask that God continues to bless you greatly. I will always keep in mind each value and I will practice them so I can make something of myself. A thousand thanks to each one of you.

This student appreciates and is grateful for all that RADICAL has done for him and for his school. In the same way, we appreciate and are grateful for all that you do for us and for making our school program possible. As we have said, this year we have taught Bible stories and values to about 2,000 students each week. We would be hard pressed to find a better way to serve and teach God's Word to so many individuals in our community.

Once again, we want to say how extremely grateful we are for all of those who have helped us financially this year and in years past. We could not do this work without you. We do need your continued support to achieve all that we have planned for next year. If you haven't already, would you be willing to make our ministry part of your monthly charitable donations in 2025? Information on how to donate to the mission work in Corquín, Honduras, is on the bottom of the following page. Thank you!

Christmas Parties

It wouldn't be December without an assortment of Christmas parties. Our first one was held for the youth. We had a great evening filled with lots of games, prizes, presents, and the sharing of a delicious meal and finished off with a Tres Leches cake.

The next events were the women's parties in Corquín and in Potrerillos, where each had a devotional, played a few silly games and then had White Elephant gift swaps. Each participant in both locations brought something to share, and we enjoyed a meal together.

Our last Christmas party was for the congregation in Potrerillos. There we sang songs, had a message on the hope that Jesus brings, played games and ended the evening with a meal made up of a variety of grilled meats, rice and beans, and another Tres Leches cake!

Birthday Dinner for Michael

To Michael's surprise, the RADICAL team and our AIMers arranged for a birthday dinner for him to express their appreciation. It was such a thoughtful thing to do. We enjoyed our evening together.

Helping Ministry (Ministerio de Ayuda)

Last month we mentioned the formation of a new ministry. Four women came together to form a ministry to help those in need. First, they held a few fund raisers to have a working budget, then they started planning on how they can be a blessing.

This month they prepared and delivered twenty-five plates of food all over the community. Members of the Corquín congregation named individuals who are in need and without family members to help them. They wanted these individuals to feel the love of Christ during this Christmas season. It was a blessing to deliver these meals and to pray over each family. Tears were shed and hearts were filled to overflowing.

This is just the beginning. Please keep these ladies in your prayers. They are an encouragement.
