Meet Armando, our newest brother in Christ

With much joy we want to present a new brother to you. His name is Armando Cornejo Mata. Max, one of our AIMers was studying with him when he made the most important decision of his life! Armando decided to repent and be baptized to receive the forgiveness of sins and the gift of the Holy Spirit. ([Acts 2:38.](#)) We are so thrilled and are rejoicing along with his mother, Olivia, and the angels in heaven.

We have known Armando since 2017, the first year we began living and working in Corquín, when he was just ten years old. The photo on the left is of him (in the green shirt) with the other children from our Sunday school class. Kaylee had taught them memory verse songs and they were singing them to the assembly.

Armando began working with RADICAL this year and that is where he met Max. Armando has decided to pursue his college education, so has just left the team this month, but he will still be around on the weekends to have his maturing studies and to attend services with us. Before he had made the decision to become a Christian, someone on the team asked, "What is the good of him only working three months with RADICAL then quitting." But on the day he was baptized that same person said, "Oh, that's why!" Truly our ways are not God's ways. We believe that if it wasn't for the time spent with RADICAL, he may not have chosen to study nor to become a follower of Christ. We won't always get to see the outcome of situations that we don't understand, but it's fun when we can see the hand of God working in our midst.

Ladies Day Event

On March 8th, the international day of women, the ladies of Corquín hosted a special event. Thirty women and visitors from Corquín and Potrerillos met in the afternoon to worship and learn together. The theme of the day was Psalm 24:3-4, "Who may ascend the mountain of the Lord?" Stacy Stacy, a missionary in Santa Rosa, come over and shared two wonderful sessions with us.

A Come Before Winter Retreat

Kris had the chance to attend a Come Before Winter retreat in Panama City, Panama this month. It was a time of refreshing and spiritual growth. One thing we often lack while being on the field is being fed spiritually by other brothers and sisters in Christ, so when this opportunity came up, we jumped at the chance for Kris to attend. She is so grateful for the time spent with other Christian women and her time alone with God.

Mini Bootcamp

Once again, we were able to offer a Mini Bootcamp, which is an in-depth study of a book of the Bible or theme. This month we held one based on the short book of Obediah. For each of the three days we had anywhere from 20-30 individuals in attendance from both the Corquín and Potrerillos congregations. The AIM girls volunteered and put on a class for the children for the two hours their parents were in session. What a blessing that was!

A Visit from Family

This month we were thrilled to have a visit from Kris' cousin Rodney Chase and his wife Trina. We don't get visitors very often and we truly love hosting friends and family in our dear Corquín hometown. Visits are such a blessing, and it lifts our spirits when someone makes the effort to come all the way down here!
