## **Meet Lorena Lopéz**

Lorena is the mother of Carlos, a member of RADICAL who became a Christian in May of last year. Since then, he has grown in his relationship with the Lord and his leadership. During our weekly worship services, he takes turns leading singing, prayers and is working up his nerve to preach. He takes a big role in working with the youth and shares devotional thoughts with them. Over the past year, his life has changed so drastically that his mom took notice and became interested in learning about Jesus. At the end of February, she began studying weekly with Kris and Norma. This month she decided to put on her Lord in baptism. We are thrilled to welcome her into the family of God!

She continues to study weekly, working through a maturing study called "Your First Forty Days". We ask each member to begin this study right after their baptism because we believe this begins to build a habit of spending time each day reading God's Word and in prayer. This is so important as each person begins their new life in Christ.

Kris and Norma have also been studying with Gloria Gabarrete, the mom of Kenia, who is one of our RADICAL members. Kenia became a Christian in October of last year and invited her mom to attend church with her. Kenia has also brought her sister Meri and her friend Ana to church and to young adult's group. We are thrilled that Ana has recently started studying with Kayson, one of our AIM girls. Please join us in prayer for all these individuals.

## Youth Event

On the 12<sup>th</sup> of this month, twenty-five teens from Potrerillos and Corquín attended a youth event we hosted at Viejo Trapiche, a great semi-private location not too far from Corquín. Gerson, Kevin, and Carlos presented lessons on the topic of our identity in a confusing world. Throughout the day we listened, sang, played, swam, and ate! It was a fantastic way to fellowship and learn together.

## Semana Santa

In Honduras, Holy week is not only a time to remember Jesus but is also a time to relax and spend time with friends and family. We took advantage of their days off work to carry the Young Adult's Group (which is basically our RADICAL team, AIMers and Ana) to a waterpark in the nearby town of Cucuyagua. Since it was early in the week and overcast, we had the entire waterpark to ourselves! We had a great time.

## Women's Ministry

April 2025

We are very encouraged by the women's groups in Potrerillos and Corquín. This month the Corquín group began a study using a book by Michelle Goff entitled, "Who Has the Last Word? Cutting through Satan's Lies with the Truth of God's Word." The interest has been great. We conduct this study every other week at our house, while our "regular" meetings are held on the alternate weeks at the building or in the homes of other sisters.

The women's ministry team recently met to plan out the next months' schedule. We brainstormed ideas on how to put into practice the "one another" verses that we find in scripture. We have some great ideas forming, and we will be presenting some of these to the group in May.

## The Passing of a Neighbor and Friend

We have known Lucy and her family since we first arrived in Corquín, almost nine years ago. We enjoyed getting to know them and being friends. Sadly, three years ago Lucy's husband Carlos went illegally to the States leaving her and their children behind. Since then, both Lucy's mental and physical health have declined. The last six months has been the hardest for her. Doctors tried prescribing different medicines to help, but nothing did. Kris spent time with her praying and sharing scripture, but Lucy lost interest in that and became withdrawn. On the 24<sup>th</sup> she was admitted into the hospital and died on the following day. She leaves behind two wonderful children, Andrea, 14, and Carlos, 10. Andrea had attended youth group and Bible camp, and Carlos attends our Bible classes regularly. Kris spent the following two days with their family, helping by making meals, comforting, and baking bread to serve all the visitors during the wake. Please pray for this family and us as we strive to minister to this family in the weeks and months to come.
