## New Efforts

Coming into 2026, we have done some new focusing and adapting of our efforts in specific areas. One of the changes has been involving Kevin more in the activities in Corquín with Mike. In our weekly planning and review meetings, we are focusing our conversations on what we can do to achieve these goals. This has manifested itself in renewed energy in our men's group activities. Mike and Kevin have set aside a morning and an afternoon each week for intentional and focused visiting of men of the congregation as well as finding new ways to connect with other men in the community.

In February, we restarted our regular men's get-togethers to fellowship, play, sing and share a devotional. We are really encouraged by these times together and God has blessed this effort with several attendees that have been long absent. In addition to our normal men's group activities, we are working to create events that attract men. We are planning to have men's outings to go to the river, waterfalls and perhaps spend an evening camping.

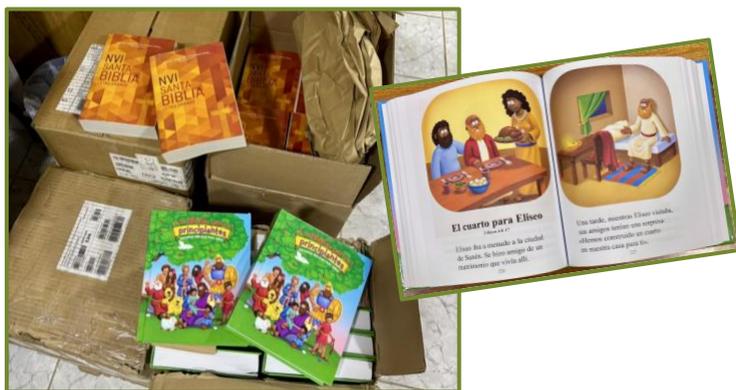

This past Friday, Mike and Gerson spent several hours preparing an Asian fusion buffet meal that consisted of Thai green curry, sweet and sour chicken, stir fried shrimp and broccoli, steamed beef along with rice and noodles. We had eleven men gather around our table for the meal followed by lots of conversation and a competitive game of "Oh, Crud." We are thankful for the time we were able to spend together strengthening relationships with Christians and our visitors. Please pray that God continues to bless this effort and that He gives an abundant harvest for the seeds being sown.

While Kris was in the States this month recuperating from surgery, her brother Greg brought her up to Ferndale to visit for a couple of weeks. Cheri, their sister, drove up from Oregon to visit as well. While there, Kris was invited to share a couple of lessons with the ladies' class which she thoroughly enjoyed. She is thankful for the warm welcome she received. Before flying out of Seattle, Kris was able to visit with her aunt, uncle, and cousins. What a blessing it was!

**Blessings of Bibles**

This month we received an amazing gift! Multiple boxes containing a total of 100 adult Bibles and 80 children's Bibles arrived in Honduras. The women's ministry at the Aiken Church of Christ in Aiken, South Carolina decided to partner with us in this special way. We are looking forward to sharing this blessing with the families of Corquín.

Ernesto, one of our RADICAL members, wanted to do something to brighten up our church building. He, along with the other team members went to the river to collect large rocks, brought them back and painted them with Bible verses and encouraging phrases to decorate the indoor garden area we have. The team had a great time serving in this way and the church members are enjoying the newly prepared prayer garden.

**Witnessing Growth**

We are grateful for the ways we see the Lord bringing growth to the churches in Corquín and Potrerillos. Yes, numerically we are growing, which is exciting, but equally as exciting is witnessing the spiritual growth that is taking place. Our members are inviting their friends and family to church and to study the Bible. Our young adults are signing up to be teachers for the Sunday children's class and to serve as greeters. Women are joyfully finding ways to serve the community. We are truly thankful for what God is doing here.

*Though it has been difficult being away from Mike and the church in Corquín, I have absolutely loved spending time with Kaylee and Tristen. So, as I head home on the 5<sup>th</sup> of March, I will leave with my body healed and my heart full. Thank you for your prayers.*
