## Three New Sisters

In December, we asked you to pray for several people who were studying the Bible with us. One of those individuals was Rosy Alvarado. We invite you to rejoice with us and the angels because she was baptized into Christ this month. Rosy began studying in November with Kris and our sister in Christ, Lorena. While Kris was in the States recovering from surgery, Yancy continued studying with her and she made the decision to make Jesus her Lord!

Rosy is friends with Sandra, a woman who became a Christian in 2017, but never returned to the church after the pandemic of 2020, even though we continued reaching out to her. Rosy has been sharing her excitement in coming to know Jesus and has been encouraging Sandra to attend church with her. Sandra accepted the invitation to attend Rosy's baptism and is pictured on the far right of the first group photo above. Please join us in praying that Sandra is encouraged to return to the Lord and to once again meet with her brothers and sisters in Corquín.

Vanessa, our newest member of RADICAL and Mery, the sister of Kenia, who is also a RADICAL member have been studying the Bible for about four months. They began studying with Kris, but when she went to the States for her surgery, Yancy and Uliana continued the study with them. Both Vanessa and Mery decided to give their lives to Christ and put Him on in baptism this month. A group of us, along with the girls' mothers, went to the river to watch this new birth take place. A group of young guys swimming in the one area deep enough for a baptism moved away as we approached, finding rocks to sit on to observe what we were doing. The joy we all feel for these new babes in Christ is written on the face of Vanessa in the photo above.

## Our First “Fifth Sunday” Celebration

Gerson, Kevin Velis and Michael decided that every fifth Sunday of the year would be a great time to bring together both congregations to fellowship. We are excited to see how this recurring event will help promote friendships and unity between our brothers and sisters and visitors in both locations.

We began the afternoon at 3:30 (30 minutes earlier than usual) with a normal worship service, followed by a meal. Afterwards, we spend some time sharing with those in attendance about the work and service of RADICAL. Most “sort of know” but don’t fully understand that RADICAL is not a separate entity, but rather a functional part of the local body, not only serving through their work in the schools, but also in other areas of ministry. We encouraged the church to look for ways to serve because service is not limited to only a few!

We also celebrated all of those who had birthdays during the first three months of the year. Kris and Uliana made two huge Tres Leches cakes for the occasion.

At the beginning of services, Kevin Romero, a man that has been studying for months with Kevin Velis chose to begin his walk with Christ and put on our Lord in baptism. We have so much to be thankful for and are truly grateful for the way God is bringing growth to His kingdom in Corquín.

Phil and Donna Waldron drove in from Santa Rosa to share the day with us. We were blessed to have Phil share with us a message with us from Jonah.

*We had about 90 in attendance*

## A Visit from Family

March 2026

This month we had special visitors! Our son Matt brought his children to Honduras for the first time. We are extremely thankful for their visit. What an amazing treat it was for us to spend a whole week with them here! Our hearts are full.

## New Study Begins

In January’s newsletter we mentioned Kris’ new friend Elizabeth and her husband Ramon. Thank you for your prayers for them. They began attending church services, our men’s and women’s groups and recently started studying the Bible with us, Gerson, and Yancy on Sunday evenings after services. We are encouraged by how well the study is going and their level of interest. Please continue to pray for these two as we build our relationships with them and as they come to know the Lord in a meaningful and life changing way

## Men’s Group

Men’s group is going well. This month the men have met in both Corquín and Potrerillos. Visitors are being invited by the local Christians and there is a genuine interest being cultivated within the men that are attending. Please keep this ministry in your prayers as we continue to reach out to the men of Corquín and Potrerillos.
