Special "Fifth-Sunday Celebration

Thank you for your continued prayers on our behalf.

Below is a list of this month's daily prayer requests.

Sunday

Praise God for the souls He is adding to His kingdom

Monday

Spiritual maturing of the local Christians

Tuesday

Outreach to the young adults

Wednesday

Individual Bible studies

Thursday

Church leaders as they serve and guide

Friday

R.A.D.I.C.A.L. team members as they teach in the schools

Saturday

New AIMers as they devote time to learning Spanish

What a great day of celebrating our Lord and the relationships we have in Him. The Corquín and Potrerillos congregations began a new tradition this year of meeting together in every month that has a fifth Sunday. We had an amazing time of fellowship May 31st. RADICAL preformed a skit based on the "rich man and Lazarus," and we had a baby dedication followed by a series of prayers for the children, youth, and young adults.

Last year, the Aiken Church of Christ donated eighty children's Bibles, and we handed out many of those as well. Both the children and their parents were so excited to receive their Bibles that they stood around reading instead of getting ready to leave. After services, we celebrated all the people who had birthdays in the last few months with cake and singing.

New Bible School Theme

We are excited about our new children's Bible School series. We are using Bible School material from "TrueWayKids.com" which is free. This material doesn't teach a specific doctrine but rather follows the scriptures very closely and provides printable story pages, games, activities, songs, and memory verse ideas.

The excitement of a new series has brought more children to class which is exciting. The RADICAL team created the room decorations and have signed up to teach most of the classes. We are thankful for their continued partnership.

In our March newsletter, we mentioned a new study with our friends Ramon and Elizabeth. We are so happy to announce that Elizabeth put on her Lord in baptism this month. She is already finding ways to serve and bless the congregation with her talents and joy! Please continue to be in prayer for her husband Ramon as he grapples with the decision of letting go of his catholic roots and embracing the lordship of Christ in his life.

Welcome our New Class of AIMers

On June 4th the new class of AIMers arrived. We would like to introduce to you Levi, Matt, McKinley, and Dominique. They arrived with great attitudes and hearts ready to work. The new AIMers are currently in Guatemala studying Spanish and will be there for a total of six week. Please pray for them as they adjust to a new culture and language.

While taking them to Antigua, Guatemala, we took time to do some fun things together like visiting the Mayan Ruins, horseback riding up a volcano, roasting marshmallows in the “hot spots” then sliding back down, visiting a Hobbit inspired village, exploring the Antigua markets, and then spending a week together at language school. We all had such a fun time.

We are thankful for the team God sent us and look forward to seeing what God will be doing through them and in them during these next twenty months.

A Wedding Celebration

Our second son, Matthew, got married in Santa Rosa de Copán in a civil service (notary public) this month, then came to our house in Corquín to celebrate with his wife, Sarahí's family and us. This marks the beginning of a long visa process for Sarahí to join him in the States, but we are praying that God moves some mountains and makes the process go faster. Sarahí is a member of the Santa Rosa congregation and heads up the sign language ministry there. Please keep these two in your prayers as they begin this next phase of their lives, temporarily separated.

Corquín Teacher Activity

At the end of June, the department of education invited RADICAL and Kris to take part in their day of education and fun. When we say take part, we really mean take it and run with it. When Kris agreed that she, Norma, and the team would attend, she didn't know that they would be directing the whole event. We have since learned that this teacher organization is not very good at the organization part, nor event planning, but these are two of Kris' strong suits!

Kris started off the program with a motivational talk addressing the ninety teachers in attendance, followed by RADICAL doing what they do best, teaching through activities, games, and well-planned lessons. It was an amazing day, and we couldn't be prouder of our team! (No space for photos)
