Kid's Day

September 10th is Kids' Day (Día del Niño) in Honduras, and it is a massive celebration for children up through the 6th grade! Thanks to our partners in the States, local supporters, and the mayor's office, RADICAL was able to make every single child in our school program feel uniquely loved and valued.

Each year, our team goes all out with decorations, skits, games, snacks, and prizes—and this year was no exception. We took the kids on an imaginary adventure to Hawaii! Armed with a magic map and using clues gained by playing "Hawaiian Games," students at every school teamed up to uncover and share a hidden treasure.

The resulting smiles and laughter were absolutely priceless. We feel incredibly blessed to bring joy to so many children during this season. The time RADICAL spends at each school is a wonderful opportunity to share the love of Christ, talk about Bible stories, and build values within our community. Celebrations like Día del Niño give us another amazing and unique opportunity to invest in these children's lives.

Youth Group 2.0

We are excited to announce the relaunch of our youth group. We have a lot of individuals motivated to help work with this group and we are ready to begin. Next month we will introduce you to our team.

This month we want to share a little bit about the direction we are taking with this group. Our goal is to see our youth do more than just learn about God—we want to see them fall in love with Him. Every lesson we teach and every activity we do will be built around a roadmap that guides them into a lifelong relationship with Christ.

These are the four *pillar* words we are using:

Know

Before anything else, our youth need a solid foundation. We will introduce them to who God really is, the truth of the Bible, and the big story of His love for them.

Discover

This is where head knowledge meets the heart. We invite them to ask tough questions, share their stories, and personally explore how God's truth connects to their everyday lives.

Decide

Faith is an active choice. We will challenge them to step out of their comfort zones and make concrete decisions to follow Christ, honor Him with their choices, and serve the people around them.

Abide

This is the ultimate goal! Rooted in John 15, we will equip them with the daily habits and spiritual disciplines they need to stick close to Jesus for the long haul, through every high and low of life.

Please pray for those that will be leading this work as well as for all the young people the Lord will call through this ministry.

AIM Presentation

September 2026

September 29th was this year's Honduras AIM (Adventures in Missions) Field Presentation. We, along with all our current AIMers traveled to Lubbock Texas to present our field to the new class of AIM students at Sunset International Bible Institute (SIBI).

Our field presentation was held during the lunch hour and then later in the evening, we held a question-and-answer hour for those wanted to hear more about our field. Before the Q&A began, we served Catrachas, which is a tostada with refried beans and fresh cheese on top along with a glass of Jamaica tea. Then for dessert, we offered Kris' Tres Leches cake.

It was a lot of fun meeting and hearing from this new group of students.

Spending Time Together

One thing we love about our work in Honduras is the spontaneity of many of the activities we have with those in our family of believers and others. This month Kris and a couple of our AIM girls were able to spend some special time with Ana, a young woman who became a Christian last year, and her two younger sisters, Erika and Danna. We visited with each other, made an impromptu Rice Krispy treat birthday cake for the three of them, and then invited Ana's two sisters to begin a Bible study, which they accepted! Dominique, one of our AIMers and Elizabeth began and will continue studying together with them on Saturday afternoons. Praise God for willing and open hearts.
