AIKEN CHURCH OF CHRIST/OCTOBER 2026

IN CASE YOU MISSED IT

SPECIAL EDITION

LADIES RETREAT

Melinda Price did a great job in organizing the Hilton Head Island retreat this year. The theme was "Will There Be Any Stars In My Crown?" There was a talent show and formal night which was great fun. One of the attendees said, "*Every one of our sisters should take the opportunity to participate in one of these retreats. The lessons were instructive and beautifully phrased. All the activities phased into something that we should all participate in and come away from feeling renewed and rejoicing in our sisterhood.*" Next year's retreat will be set in the moutains so please make plans to attend in October 2027!

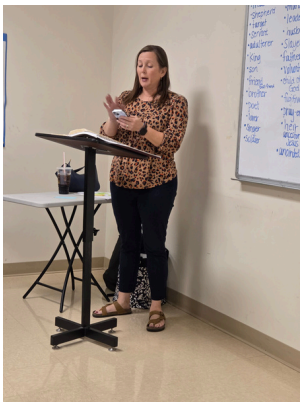

LADIES DAY

Michelle King organized a Ladies Day on Saturday, October 17 with the theme of "Perfectly Imperfect." The speaker was Lori Boyd from Tennessee. We learned that even though we feel like we are imperfect, God has made us perfect to him. If you would like to view it, it is located on the church's website (www.aikencoc.com)>Ministries>Women's Ministry>Women's Events. Great job Michelle!
