Youth Group Kick-Off

Even though we spent most of October in Lubbock with Kaylee, Tristen, and Emma Jean, much work was still being done for the Kingdom in Corquín, thanks to the amazing team that serves alongside us.

We want to take this opportunity to highlight the relaunch of our youth ministry! All our AIMers, along with Carlos, Ana, and Vanesa from our RADICAL team, Elizabeth, and Kris, make up the leadership team working with our youth.

Before our official start date of October 24, we were invited to attend a weekend youth retreat hosted by the youth leaders from the Santa Rosa church. We invited teens from both of our congregations, as well as several who had regularly attended our group last year. Eleven decided to attend, joining 71 others for an amazing weekend of learning, Bible study, prayer, and fun!

The highlight of the weekend was seeing seven individuals make the decision to put on Christ in baptism! One of those was Dana, one of our teens who has been attending services with her sister, Ana, who became a Christian last year. Dana had been studying with Uliana and Elizabeth, and we are so thankful for her decision to follow Jesus! She is continuing to grow in her faith as she works through our new First 40 Days Bible study with Ana.

Our first local youth activity also went very well! We had several new faces join us, and we are praying for opportunities to connect with each of them personally in ways we haven't been able to before.

Please pray that God will continue drawing people to Himself and that we will be faithful stewards of the work and the people He has entrusted to us.

Update on Emma Jean

We do not know how to adequately thank you all for your kind words, prayers and support that we have received in abundance this month. We have felt God's presence and the peace that only He can give during this time of uncertainty.

Emma Jean has been moved out of the intensive side of the NICU and moved to the "maintenance" side. She is still on some oxygen. The oxygen had been removed as well as the pic line, leaving only her feeding tube. But as I sat down to write this update Kaylee told us that the doctors had to put her back onto oxygen. This process has been a series of steps forward and steps back. God has been faithful through it all and has provided the support, scriptures, and encouragement that we have needed to get to this point. We are confident that He will continue to do this for Tristen and Kaylee and for the rest of the extended family.

One of the hurdles that Emma Jean must jump over to leave the hospital is to take all her feeding by mouth. She has begun this process but still receives most of her meals through her feeding tube. Please pray for complete healing for Emma Jean.

Praising God for the miracle He has done in Emma Jean.

RADICAL Completes Another School Year

The Honduran school year comes to an end during the first part of November, so we wrap up our program during the final week of October. Throughout this year, God has used our team to reach approximately 1,800 children each week! Through Bible stories and engaging, practical lessons, these children have been learning not only what Scripture teaches but also how to put those biblical values into practice in their everyday lives. We are so grateful for the opportunity to invest in the next generation and share God's Word with so many young hearts.

Every school invited the team to participate in an activity honoring them and thanking them for the lessons and love they shared this year.

Mini Bootcamp

On October 27-29 we held a "mini bootcamp" on the book of Hosea. Gerson and Kevin presented great lessons that applied to our lives and were challenging. Tuesday and Thursday's meetings were held in Corquín and Wednesday evening's lesson was in Potrerillos.
